A whimsical illustration of a woman with a long, thin neck and a large, pointed blue hat with white stars. She is wearing a voluminous red dress and is sitting on a wooden chair. She is holding a small green shoe with white polka dots in her right hand and a small black shoe with white polka dots in her left hand. She is looking towards the viewer with a slightly mischievous expression. The background is a green wall with a pattern of small blue footprints. A white speech bubble above her head contains the text "ME'N FALTEN TRES." There are several other shoes scattered around: a red shoe with white polka dots on the wall, a green shoe on the floor, and a brown shoe on the floor. A white door with a wooden handle is visible on the right side of the image.
