UN BON
MERDER

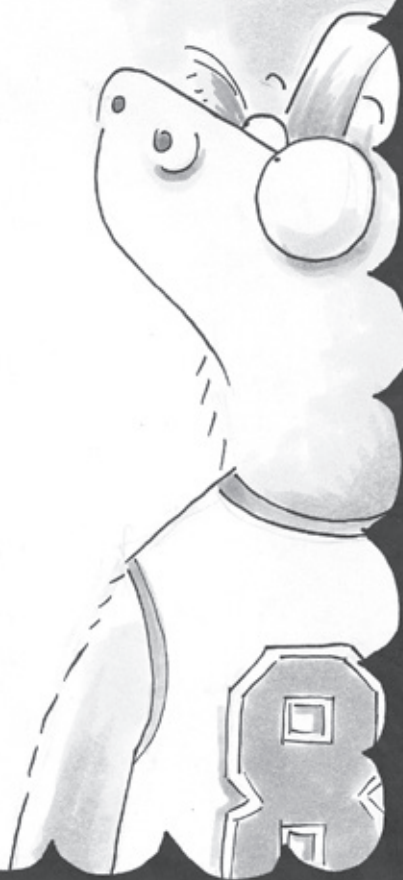

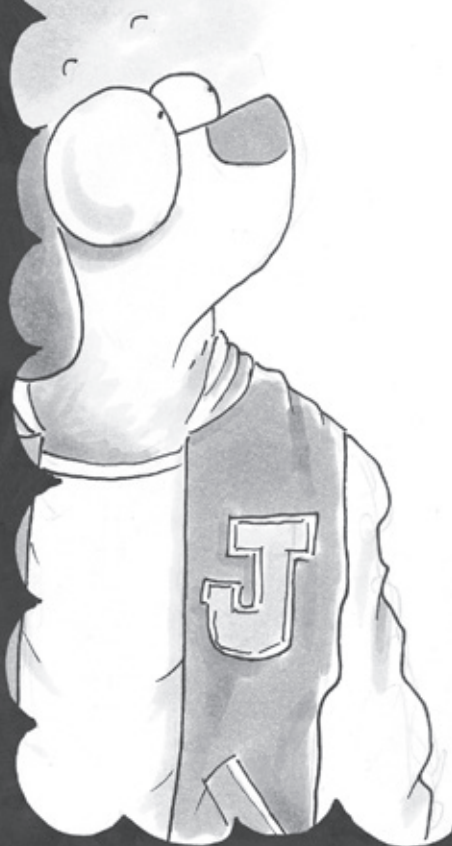

A black and white cartoon illustration with a scalloped border. It depicts a corner of a brick wall. On the left, a dog's head and front paws are visible. The dog has large, round eyes and is looking towards the center. On the right, another dog's head and a back paw are visible, also looking towards the center. In the center of the corner, a long, thin snake is coiled on the floor, looking up with wide eyes. The floor is dark and has some debris, including a small star-shaped object and a coiled piece of fabric. A sign is mounted on the upper right wall. The text 'Fot-li un cop amb...' is written in the upper left area, and 'UN RASTELL DE 7ARDÍ!' is written in the center-right area.
